

ENTRY FORM:  JELLYFISH FIBER ART

Happy 10th Birthday Buell!

Deadline: May 10, 2010 (Limit 3 pieces per artist)

We are celebrating our 10th Birthday beginning June 10, 2010. Showing will be “Jellyfish Jubilee”, an interactive virtual world. Guests can swim with the jellyfish in PlayMotion! Visitors will enter a mysterious underwater world to interact with and manipulate jellyfish with just the touch of a hand, accurately modeled with their effortless, enchanting motion.... fear not, PlayMotion jellies don't sting! Young guests will open their eyes wide as they enter the Buell Museum because area fiber artists will have created amazing jelly fish! Who knew string could be such a wonderful thing? Kids will also get inspired to make their own undersea wonder to take home.

We hope you will **donate a fiber art piece** we can show this summer in our shadow box display area at the entrance to the museum. Use yarn, thread, string, material, plastic and other sparkly stuff to make your jellyfish. Guests will be able to look, but not touch, so feel free to include beads, baubles and assorted bric-a-brac. We have four spaces for small jellyfish up to 20 inches tall and one large space for jumbo jellies up to 80 inches in length.

Submit before May 10, 2010; Tues. – Sat. from 11 a.m.- 4p.m., BUELL CHILDREN’S MUSEUM, 210 North Santa Fe, Pueblo, CO 81003.

QUESTIONS? Call Donna Stinchcomb, Curator, (719) 295-7205 or email: donna@sdcs-arts.org
