

# THE SANGRE DE CRISTO ARTS & CONFERENCE CENTER

## 50th Anniversary Capital Campaign Launch

For 50 years the Arts Center has provided thousands of community moments—from family weddings to Broadway shows, dance and art classes, and blockbuster exhibits, the Arts Center is one of Pueblo, Colorado’s crown jewels.

The Sangre de Cristo Arts Center has launched a capital campaign just in time for its 50th anniversary. The Arts Center has many opportunities for donors to name a feature of the new building in recognition of the generosity of an individual, organization, family or corporation.

Please join us on the journey to provide “artistic learning experiences for everyone” for our next 50 years. Your contribution is critical to our mission.
