BIRTHDAY PARTY BASICS

At this time the Buell Children's Museum can only accommodate Birthday Parties on Saturdays.

All Birthday Party packages include admission to the Buell Children's Museum and Helen Thatcher White Fine Arts Galleries at a discounted group rate. We understand the challenges of nailing down RSVP's for a party and will accommodate additional guests for your party, at the rate of \$7 per guest, up until the start time of the party. Once the party time begins we cannot accommodate additional guests.

Our birthday party space, the Kid Rock Café can only accommodate 30 guests. If you would like to host a larger party, please inquire about an after-hours event.

Art Center members do not receive free admission when attending a birthday party. They count toward the number of party guests.

The Sangre de Cristo Arts and Conference Center (home to the Buell Children's Museum) is a smoke-free campus. While birthday candles are allowed, all other open flames such as tray warmers, are not permitted.

The Buell Children's Museum is not responsible for supervising any children attending a birthday party. If a child is being dropped off at your party, you are responsible for that child's safety and welfare. We recommend a ratio of 1 adult for every 5 children.

All birthday party packages also include a downloadable party invitation, personalized for your event. The Buell Children's Museum is happy to print these invitations on cardstock for \$15.

Birthday Parties must be booked at least 30 days prior to the event date.
