Nutcracker in a Nutshell

Nutcracker season is in full swing here at the Sangre de Cristo Arts & Conference Center. To kick off the holiday season, join us for our annual production of *Nutcracker in a Nutshell* on Saturday, November 18 at 2:00 P.M.

This condensed one-hour version of *Nutcracker* still has all the glitz and the glam from the original Arts Center production of *The Nutcracker Ballet*, brought magically to life by dancers from the Sangre de Cristo Ballet and School of Dance.

“Many of our current students were inspired to dance after seeing the *Nutshell* production,” says the Director of the School of Dance Nan Wainright. “The cast and crew of *Nutshell* are extremely grateful to be a part of the Art Center’s goal: to provide live theater for Pueblo’s children.”

All in all, this narrated version is a perfect holiday experience for children to dive deep into the magical world of *The Nutcracker Ballet*.

Reserve your seats today by heading to our website at www.sdc-arts.org/performances or by calling Arts Center guest services at 719-295-7200.
