February 2024 Van Gogh Van 1st Friday Van Schedule

CREATIVE CONSORTIUM OF
PUEBLO

Based on passenger requests, on 2/2/24 First Friday Art Walk, the Van Gogh Van will add a BRIEF stop at Steel City Art Works/John Deaux Galleries **IF** flagged or **requested** by a passenger. (In March, the Heritage Museum will again join First Friday and will also enjoy a brief stop.) Time to visit the galleries will continue in the first 2 cycles of the van. The 3rd (last) cycle is a final pick-up and return. Use the Van Schedule to plan your evening. Consult with your Tour Guide to be sure what time to be back at your van stop. Take a schedule with you and/or use the QR code to check times.

The following times are our best estimate. To be on the safe side, we suggest you get to your van stop a few minutes early because these times are not guaranteed. Look for the Van Gogh Van stop signs and balloons for exact locations of the van stop. Listen for 3 honks upon Van arrival and 2 minutes before departure. The Van will be at full van stops for a minimum of 3 minutes/stop but will not stop unless flagged and will not wait at the brief stops.

Note: The Sangre de Cristo Arts Center's (SDC's) First Friday ends at 6pm. Visit them before the Van Gogh Van starts its route at 5pm! Don't miss their art or their festivities!
